

Michiana Master Gardener Association Mission Statement:

The Michiana Master Gardener Association is a not-for-profit educational organization dedicated to the improvement of the community. Members of the Association have completed the requirements of the Master Gardener Volunteer Training Program, working in affiliation with the Purdue Extension Service of Elkhart County. Its specific aim is to improve the quality of life in the community by providing information and technical assistance in the area of home horticulture through the use of trained and certified volunteers.

Elkhart County Soil and Water Conservation District Mission Statement:

To promote and implement the protection, conservation and wise use of natural resources in Elkhart County through partnerships.
