

# 2019 ELKHART COUNTY INDIANA MASTER NATURALIST PROGRAM

An introductory program of nature discovery and service learning for adults.

Lecture-style classes are open for those wanting to become an Indiana Master Naturalist (IMN), IMN Alumni, and those wanting to “try out” the program. Six speakers each day will be presenting on topics including: wildflowers, trees, ecology, soils, water, interpretation, wildlife, birds, and much more!

*You must be at least 18 years old to take the Indiana Master Naturalist Program.*
